

STATEMENT REGARDING SUBJECTS AIMED AT TROPICAL/DEVELOPING COUNTRIES

Educational components which are not included in the list of subjects focussed on tropical and/or developing countries (Appendix 1 of the Wageningen University Travel Funding Regulations 2009-2010), may count in this category provided:

- A. **The examiner** of the WU subject certifies that the course content was aimed at tropical/developing countries, or
- B. **The study advisor** certifies that the content of the course taken at another institute of higher education (hbo or university) and which makes up part of the student's examination programme, was aimed at tropical/developing countries.

Educational component

Code ¹	Name of Educational Component

¹ Fill in the code as mentioned in the Study Handbook 2009/2010 or in the approved student's examination programme.

Personal Data

Name of Student	
Registration Number WU	

I herewith declare that the content of the above mentioned Educational Component(s) was (were) aimed at tropical/developing countries,

Name of WU Examiner or Study Advisor:

(The WU examiner signs in case the certification applies to an educational component of Wageningen University.
The WU study advisor signs in case the certification applies to a course taken at another institute of higher education.)
